Mrs. Stegmaier,

July 8, 2008

I would like to begin by expressing our gratitude to Value Place for supporting the Texas Narcotic Officer's Association by donating a one week stay to a lucky recipient of our association. On behalf of the TNOA, I would like to personally thank you for your donation. Our conference is just two weeks away and all donations are openly welcomed. Your donation will serve as a great prize and I am sure that the lucky recipient will be glad to utilize it as our membership is spread out through the State of Texas. We look forward to establishing a great relationship with your company and eagerly anticipate working with you in the future.

Please feel free to call me at (956)463-9697 if you have any questions or visit our website at tnoa.org to keep up to date with upcoming events and trainings.
